

Certificate of Registration

ENVIRONMENTAL MANAGEMENT SYSTEM - ISO 14001:2015

This is to certify that:

Morgan Advanced Materials,
Wesgo Ceramics, Wesgo Metals
2425 Whipple Road
Hayward
California
94544
USA

Holds Certificate No:

EMS 512348

and operates an Environmental Management System which complies with the requirements of ISO 14001:2015 for the following scope:

The environmental management system processes designed to manage the environmental risks occurring from the manufacture of precious, non-precious and active brazing filler metals, in the form of foil, flexibrazing, wire, powder, extrudable paste, and pre-sintered preforms, brazing accessories as well as the vertically integrated manufacturer of custom, technical ceramic products. Processes include powder production, grinding, lapping, metalizing and various assemblies.

For and on behalf of BSI:

Carlos Pitanga, Chief Operating Officer Assurance – Americas
